Welcome to Park Commons Apartments

Park Commons Apartments feature newly constructed luxury apartments that are conveniently located in West St. Louis County. Park Commons was built with your needs in mind. We offer a community of 174 one and two bedroom apartment homes with large, open floor plans that are situated among lush, private grounds and back to a wildlife preserve in the heart of West Saint Louis, MO! Park Commons Apartments offers gated entry, garages with remote entry, a fitness center, courtyard pool with cabana, clubhouse, business center and cozy fireplaces. Park Commons Apartments is a community where an exceptional St. Louis location, an abundance of custom-appointed amenities and superior service all come together to form the perfect place to call home. Come see for yourself at Park Commons Apartments.

Conveniently Located

Park Commons is located in the popular, fast-growing west St. Louis County. Park Commons has a tranquil woodland conservation area on one side and quick access to major arteries on the other side. With access to I-270, I-44 and I-64/40, commutes to any location are quick and easy. Park Commons is approximately 15 miles west from Downtown Saint Louis and minutes from numerous shops and restaurants.
